

ABOUT ME

ABOUT

A Full Stack Developer

I am a trainee for working on both front-end and back-end development processes with Orange. I will be a professional Full-Stack developer where as I will be training with Orange on thats technicals

I'm passionate learning the latest and greatest technologies, whether it's the frontend or backend. I enjoy creating user friendly applications. I love working in fast-paced environments with a highly diverse team. I'm a team player, adaptable and self-motivated learner who's interested in new programming technologies and continuous self-improvement.
